

### SUMMARY

I'm an award-winning graphic designer passionate about building brand identity systems and leading campaigns for global clients. With a decade of experience, I enjoy blending strategic research with compelling visual stories to create work that resonates with culture and has been recognized by Cannes Lions, The One Show, and The Loeries. I thrive on creating brand identities, leading teams, and collaborating with clients to drive success. Eager to bring creative vision and leadership to new opportunities.

### CREATIVE EXPERIENCE

**Independent** | Senior Graphic Designer & Typographer  
New York, NY | Jun 2025 - Present

Developing brand identities, custom type design, editorial systems, and production-ready assets across print and web for clients in the cultural, non-profit, and media sectors. Designed the 8th Seoul Africa Festival identity, creating a Kente-inspired logo and visual system applied across digital, print, and stage branding, reaching an audience of 210,000+ visitors.

**Mam'Gobozi Design Factory** | Creative Director + Co-founder  
South Africa | Nov 2016 - Aug 2023

Oversaw studio operations and client relationships, providing creative direction and designing brand identity systems, rollout & implementation, brand guidelines, editorial systems, campaign developments, and production assets. Led a multidisciplinary team of 5 designers and helped grow the studio, securing international clients including The Africa Centre (UK), The Obama Foundation (USA), Queen's University (Canada), Vrije Universiteit Amsterdam (Netherlands), and Wikimedia (USA). Spearheaded culturally grounded projects with global reach, creating work for 13 countries, featured in The Torsche, BLAC Media, Queen's University, and the University of Illinois Library's Black Designers Guide. Contributed to the studio's recognition as one of South Africa's top 10 design agencies at the Loeries (2021), and published in *From Africa* by Counter Print UK among 18 leading African creatives.

**Pacinamix** | Senior Art Director  
South Africa | Nov 2018 - Jan 2020

Contributed to ideation and creative leadership for McDonald's out-of-home campaigns in South Africa, providing art direction and designing cross-platform assets. This work played a key role in the agency's appointment as McDonald's above-the-line (ATL) lead agency in South Africa in August 2019.

**Wunderman Thompson** | Art Director  
South Africa | Jan 2018 - Aug 2018

Led creative advertising campaigns for Telkom South Africa, directing visual strategy and designing cross-platform assets in collaboration with creative teams to deliver impactful, audience-focused work.

**OpenCo** | Art Director + Graphic Designer  
South Africa | Feb 2014 - Dec 2017

Led creative ideation and art direction for clients including SABC, iKwekwezi FM, Ukhozi FM, Sasol, BMW, Jameson Whiskey, Standard Bank, Apartheid Museum, and MTN. Delivered design solutions across digital, print, and activation platforms. Spearheaded the full iKwekwezi FM rebrand; rolled out across broadcast, out-of-home, and merchandise, achieving a 95% acceptance rate among its 1.5M+ nationwide listeners, and recognized by Adobe in Best of Behance.

### TEACHING EXPERIENCE

**Rhode Island School of Design** | Course Instructor  
Providence, RI | Jan 2025 - Feb 2025

Taught *Intro to Graphic Design* during the Winter session. Developed the course syllabus and led lectures, critiques, and workshops. Fostered a critical, inclusive classroom environment that encouraged visual experimentation and design thinking. Provided weekly feedback and mentorship, bridging academic theory with real-world design practice. Inspired five first-year students to declare Graphic Design as their major.
